Christine Rogers – Principal  
Nicole Hargrett – Assistant Principal

Parents,

I hope you and your family are healthy and safe.

I wanted to share information previously sent out to ensure you received prior communication.

Starting Monday teachers will begin online learning. If your student does not have access to a computer or internet to participate in online learning please email me ([Christine.rogers@ocps.net](mailto:Christine.rogers@ocps.net)) your student's name, your student's homeroom teacher, and a note that your student will not be able to participate in online learning as the school will send a paper packet to the address on file. Please also email your student's teacher. The packets are an alternative assignment.

**Launchpad.ocps.net** has many resources students may be using for online learning (ie: iReady).

Username: Student-ID

- If your student forgot their Student-ID number, please email your student's teacher, call the school, or look on the student's last report card or progress report.

Password: YYYYMMDD (student's date of birth)

If you do not hear from your student's teacher in regards to online learning by the end of the day today please contact the school tomorrow afternoon so that we may follow up.

OCPS is providing students **Grab-and-Go meals** between 10 AM and 2 PM in the car loop of designated schools. Students must be present to receive the meals. District staff will distribute the meals directly to those in their vehicle (drive-thru service). Meals will be given to any student walking and/or riding a bike.

The closest school to us is Dr. Phillips High School. For a complete list of schools please visit OCPS.NET and click on the icon for "Grab-and-Go". Please check the ocps.net website for updates:
