

Wonderland Gift Shoppes

Step By Step Guide for Shopping Online in the Wonderland Gift Shoppe

1. Parents please walk your child through the website and show them all the cool gifts! Show your child the navigational toolbar on the left hand side.
2. Be sure to show your child how to add and remove an item from the cart that they would like to purchase as a gift.

3. Show them how to get to the cart page (click on the shopping cart icon in the upper-right corner of the page). If the student is purchasing a gift for you, have them scroll down to the bottom of the shopping cart page to help keep your gift a surprise for you!
4. Next, parents/guardians will need to fill out all the school/student information. Please put the school's full name so we can make sure your gifts are sent to the correct school.

All purchases will be delivered before the winter school break. If you have any questions, please reach out to Wonderland Gift Shoppes: info@wonderlandgiftshoppes.com
